I have **tentatively** put the NPL meeting on my calendar as August 17th if we are looking at a Sept. 3rd date for this action - we will be able to solidify this as time goes by but since we need about three weeks out for the meeting that would mean we should start our process about mid-July.

Thanks all!

This is to let you know that the meeting on July 1 has been cancelled. If you have any questions, please give Greg Fife a call, 214.665.6773.

We will be planning another meeting for mid-August regarding the proposed listing to the NPL and we will keep you informed of all arrangements.
